

## The Financial Services Group of

### Livery Companies - 2016/17

*Livery Professionals supporting the work of the City*

The Financial Services Group of Livery Companies formed in 2006 is comprised of twelve modern Livery Companies. The role of the Group is:

#### **Primary**

To co-ordinate the efforts of the Member Companies in jointly supporting the Lord Mayor, the Court of Aldermen and the City of London Corporation in promoting the City of London financial services sector.

#### **Secondary**

To foster collaboration between the Member Companies and, where deemed appropriate, promoting the positive contribution of the Member Companies' professions to the success of the City in joint activity for mutual benefit.

The Group represents some of the leading professional and financial services which contribute to the City's international reputation. With the Civic City the Group seeks to be proactive with those who develop, make and administer policy so that they receive informed opinion. The Group looks to engage with issues that benefit from applying the membership's collective cross-discipline knowledge rather than those more appropriately addressed by the Companies individually.

BREXIT will have challenges for the City in the future but the financial services sector, which this Group represents, is well versed in meeting such challenges as the "Areas of Expertise" below highlights. Further, the Group can act also as a gateway for those wishing to establish businesses in the City or who require professional and financial services in their country of operation. To find out more about the principal areas of expertise offered by each Group member in various professional and financial services matters you are invited initially to contact any Livery Company Representative (**see below**) who will involve other Representatives as required.

The Financial Services Group of Livery Companies aims to support the Lord Mayor in his overseas visits, his meetings in the City with overseas delegations, in his role of promoting "the City" brand of UK financial and other business services. For 2016/17 the Lord Mayor's theme and strapline is "**Encourage, Support, Inspire**".

Overseas visits planned for 2016/17 include Qatar, Kuwait, Malta, Pakistan, Nepal, China, Hong Kong, South Korea, Turkey, Estonia, Ireland, Algeria, Morocco, Tunisia, Egypt, Cyprus, Colombia, Argentina, Mexico, Poland, Czech Republic, Romania, Kazakhstan, Uzbekistan, Georgia, Angola, Mozambique, South Africa and Zambia.

To identify the relevant visit programme manager in the Lord Mayor's Office and the exact dates of visits, which are planned well in advance, (and places to attend events and seminars are limited), go to <http://www.cityoflondon.gov.uk> and follow the links to "About the City" "The Lord Mayor" and overseas visits programme. The broad aims of these visits include:

- ❖ To promote the UK financial, professional, maritime and associated business services industries and the international expertise of the City of London;
- ❖ To support bilateral commercial and political relations;
- ❖ To demonstrate the importance of the City of London to the Financial Sector as a leading global financial centre, a provider of liquidity and a model of best practice; and
- ❖ To promote London as a centre of excellence for business, education, training and professional qualifications.

If a Liveryman or a partner or senior executive of his or her firm wishes to participate in an overseas visit, he or she should contact the relevant programme manager in the Lord Mayor's Office at The Mansion House at least 12 weeks before the visit. Please note that the proposed participant will be required to provide his or her name, email address and telephone number, as well as the reason for the interest in the country to be visited, the main objectives for his or her involvement and the key outcomes he or she would like to see delivered.

Further information can be found on the website- [www.liveryfsg.org.uk](http://www.liveryfsg.org.uk). Alternatively, contact the Secretary, [michaelpchitty@outlook.com](mailto:michaelpchitty@outlook.com), with your enquiry.
